

Ayaan Kuhar

Bangalore, Karnataka | ayaankuhar1@gmail.com | [LinkedIn](#)

PROFESSIONAL SUMMARY

BCA student at Christ University with hands-on web development experience using React, Node.js, JavaScript, and MySQL. Built dashboards, quiz systems, and management applications. Strong interest in full-stack development, actively engaged in UDYAM entrepreneurship initiatives, and selected for the EDGE Startup Nurturing Team under CICF.

TECHNICAL SKILLS

Languages: JavaScript, C++, SQL

- Frontend: HTML, CSS, React
- Backend: Node.js, Express.js
- Database: MySQL
- Tools: Git, GitHub, VS Code

PROJECTS

Quiz Maker Application | React, JavaScript, CSS

- Developed quiz platform with dynamic question rendering and score calculation
- Implemented reusable components for maintainability and interface consistency

Job Dashboard Website | React, JavaScript, Node.js, Express.js, CSS

- Built a job board displaying listings with role, location, and salary details
- Implemented a responsive interface for job cards, navigation, and authentication

EXPERIENCE

Web Development Intern, CodSoft

- Built responsive interfaces; optimized frontend performance, reducing render times
- Collaborated on coding, debugging, and feature implementation; conducted code reviews
- Implemented user-facing features based on product requirements and feedback

UDYAM – Event Documentation and Field Engagement

- Documented all UDYAM events; recorded rural village observations from the Hosakote visit
- Documented campus event with school children presenting entrepreneurial business ideas

CICF – Christ Incubation and Consultancy Foundation

EDGE Startup Nurturing Team | Upcoming Second Year

- Selected for the EDGE team; will support startup incubation and nurture student ventures
- Expected to collaborate on evaluation, mentorship coordination, and startup development

EDUCATION

Bachelor of Computer Applications (BCA) • Christ University, Bangalore | Graduation: 2028
